

AQAU-CWA Bargaining Update #13

Proposals

(Blue are proposals we have TAs on, Red are proposals that the company has rejected with reason provided.)

We did not reach any tentative agreements during this session.

Number of Proposals

We have a total of 35 proposals, 23 of which are currently on the table, and 12 that we have tentative agreements on. If anyone would like a brief explanation on what these proposals are about, please reach out to a bargaining committee member.

Commentary

We have been keeping up the pace in our negotiations with management, with movement being made toward agreements hopefully soon. One source of continued disagreement is how PIPs are handled; it seems the company is interested in keeping the PIPs as a means of discipline rather than as a tool for actual performance improvement.

Bargaining Dates

The next dates for bargaining are February 21st and March 6 and 7th for in-person bargaining.

Next Steps

We appreciate seeing the solidarity with everyone either wearing red on bargaining days and/or changing profile pictures! We'd ask that you continue to show your solidarity on bargaining days. If you need a union shirt, reach out to your local stewards with your shirt size and we will get you one based on availability.
